University of St Andrews *St Andrews, Scotland*
Supervisor: Dr Fiona McCallum Guiney

Publications

R., A. Bekmuratovna, Berhane, S., Dannhäuser, P., **Nutley, K. S.**, & Rohlfing, I. (2025). The discussion of gender and citations in submission guidelines of 102 political science journals. *European Political Science*.

Green, F., Dumas, M., & **Nutley, K. S.** (2026). Policy paradigms in EU public bodies. Technical Report, AdJUST Project Deliverable WP4.4, Grant Agreement 101069880 (HORIZON-CL5-2021-D2-01-12).

Papers Under Review

D'Amico, E., & **Nutley, K. S.** (2026). The impact of environmental protest on legislative response: A comparative analysis of six Western liberal democracies. Under review at *Environmental Politics*.

Presented at EPSA, APSA, PECE, the LSE Sustainable Social Policy EPSA Pre-Conference Workshop,

and the Oxford EPSA Pre-Conference LLM Workshop.

Nutley, K. S., Green, F., & Dumas, M. (2026). AdJUST: Climate policy paradigms at the European Commission. Submitted to *Nature Climate Change*.
Presented at EPSS, APSA, PECE, and the LSE Sustainable Social Policy Workshop.

Nutley, K. S. (2026.) Selective non-securitisation: Quantitative evidence of protestor partisanship on police response from France, Germany, Italy, Spain and the United Kingdom. Submitted to *American Political Science Review*
Presented at EPSA, EPSS, and APSA; invited talks at Yale MacMillan Center, LSE Political Methodology Series, and Harvard Weatherhead Center.

Working Papers

Nutley, K. S. The impact of protestor partisanship on police response: A matched wake analysis of France, Germany, and the United Kingdom.
Presented at EPSA, APSA, and EPSS.

Nutley, K. S., & Martin, H. Measuring the impact of cross-border policy on UK carbon sequestration: Evidence from remote-sensing verification of woodland carbon projects.

Duch, R., Batistoni, T., Low, R., Altman, M., **Nutley, K. S.**, et al. Synthetic replication games using LLMs via Talking to Machines (T2M).

Datasets

R., A. Bekmuratovna, Berhane, S., Dannhäuser, P., **Nutley, K. S.**, & Rohlfing, I. (2025). The discussion of gender and citations in submission guidelines of 102 political science journals [Data set]. Zenodo. doi:10.5281/zenodo.15045631.

Nutley, K. S. (2026). AdJUST EU pre-legislative document corpus [Data set]. Zenodo. doi:10.5281/zenodo.21263220 (forthcoming).

Projects

St Andrews Election Monitoring (STAEM) Project, with Nick Brooke and Kieran O'Meara. Nominated for The Herald's Education Award for Innovative Use of Technology (2026). Discussants: Professor Sir John Curtice, Dr Jan Eichhorn, Mark McGeoghegan, and Allan Faulds. Interactive dashboard.

Reproducibility Hackathon, co-organised with Maddi Bunker, Fernando Carvallo, Kerr Lumsden, and Kate O'Hara. Sponsored by a University of Edinburgh Research Training Centre PGR Grant.

Data visualisation for Resident Resistance, working paper by Nicholas Barnes (accepted to ISA and Oxford's T.E. Lawrence Seminar Series, conv. Stathis Kalyvas). Interactive dashboard.

Previous Positions

Computational Researcher — July 2025 – Aug. 2026
AdJUST Project (UKRI / Horizon Europe) — *University College London / LSE*

Quantitative Research Assistant — Aug. 2024 – Sept. 2025
The Resident Resistance Project — *University of St Andrews*

Graduate Teaching Assistant — Feb. 2025 – May 2025
International Relations (IR1006) — *University of St Andrews*

University Lecturer — July 2023 – Nov. 2024
Explaining Public Service Outcomes (B.A.) — *University of Cologne*

Doctoral Researcher — Mar. 2022 – Oct. 2022
Gender Citation Gap Project — *University of Cologne*

Research Assistant Jan. 2021 – Apr. 2021
Program on Global and Local Development *University of Gothenburg*

Awards and Scholarships

Graduate Fellowship, Harvard University	$42,000
Handsel Scholarship, University of St Andrews	£86,280
D.A.A.D. / Erasmus+ Award, Universities of Konstanz and Gothenburg	€10,000
Begabtenbefreiungsbescheid (Gifted Exemption Decision), University of Konstanz	€7,000
Jenny Gusyk Award (collective), University of Cologne	€3,000
APSA STEP Postgraduate Award	$500

Grants

EU Horizon Grant, AdJUST Project WP4.4 (HORIZON-CL5-2021-D2-01-12)	£20,000
School Research & Travel Fund, University of St Andrews	£1,000
Research Training Centre Grant, University of Edinburgh (joint)	£500
School Research & Travel Fund, University of St Andrews (joint with Kieran O'Meara)	£500
Interdisciplinary PhD Research & Travel Fund, University of St Andrews	£350
British Academy Development Grant	£300
Sustainable Social Policy Workshop Travel Fund, London School of Economics	£150

Invited Talks

Harvard University, Weatherhead Center, Political Violence Workshop	2027
London School of Economics, Political Methodology Series	2027
Yale University, MacMillan Center, Political Violence and its Legacies Workshop	2026
University College Dublin, School of Politics and International Relations	2026
Universidad Iberoamericana, Department of International Relations (honorarium)	2025

Conference Presentations

American Political Science Association (APSA)

2026 Computational detection of environmental paradigms in pre-legislative documents (author)

2026 Scientific Expertise and Democratic Governance Section (discussant)

2026 Fog of (Media) War: Propaganda, Emotion, and International Conflict (panel chair)

2025 The impact of environmental protest on legislative response (co-author)

2024 The effect of constituency-level partisanship on police response (author)

2023 A spatio-temporal model of police response to partisans in modern England (chair and author)

European Political Science Association (EPSA)

2025 The effect of constituency-level partisanship on police response (author)

2025 The impact of environmental protest on legislative response (co-author)

2023 A spatio-temporal model of police response to partisans in modern England (author)

European Political Science Society (EPSS)

2026 The impact of protestor partisanship on police response: A matched wake analysis (author)

2026 Computational detection of environmental paradigms in pre-legislative documents (author and discussant)

Political Economy of the Climate and Environment (PECE)

2026 Computational detection of environmental paradigms in pre-legislative documents (poster)

2025 The impact of environmental protest on legislative response (co-author)

International Public Policy Conference (IPPC)

2025 The effect of constituency-level partisanship on police response (author)

2025 The impact of environmental protest on legislative response (co-author)

Workshops
